

Leki, Hello

Chorus:

Hello, hi hey.

How you been?

You know i been doin' ok. yeah yeah.

Long time though it really feels like we were together yesterday.

Hey, who do we have here?

I didn't think this.

Would ever be possible maybe this is, the oppertunity.

To close unfisinished business.

So don't dismiss girl go do this.

In the past, both been foolish.

Even me, yes I been foolish.

We can't undo, what we lived trough.

And to be honest, since he gone I didn't miss boo.

But i won't front and I won't lie.

I learned a lot and I can look him in the eye so.

I will admit that. I also did bad.

So let me go not too proud for a chitchat...

(Chorus)

Ex-boo don't worry.

Don't wanna get back with you.

Come on now next to me.

Sit and talk extensively. C

atchin' up is due.

I know we both grew.

Lotta things lotta thing that we've been trough.

You became my enemy and I made your blood cook too.

I made your blood cook too.

Crazy gettin' crazier.

Things gettin' hazier.

Reminisce, do you reminisce.

The abyss.

I could've pusher you in.

You could've pushed me in.

We knew then it had to end.

I will not put all the blame on you.

You had wrongs and i had wrongs too.

Everything that we've been trough. Necessary we both grew...

(Chorus)

I been doin' good.

I been doin' fine.

I been doin' all those things, i had on my mind.

Though i had my downs.

I did not stay low.

And i will never regret,

The day you had to go...
