

# Lemar, Sweet Love

I know that sometimes it seems  
It's only studios and parties  
But baby I appreciate  
The way you stand by me  
And I know sometimes  
You hear strange stories  
But please remember girl  
You've got a 100% of me

I just wanna say  
Thank you for coming my way  
You've been such a blessing to me  
I just can't believe  
I've put you through a lot  
You've given me all you got  
There through thick and thin

Baby all I need is your

[Chorus:]  
Sweet Love  
Been around the world  
But girl I need your  
Sweet Love  
I've seen a thousand  
Girls but all I want is your  
Sweet Love  
I know I won't survive without your  
Sweet Love, sweet love, sweet love

I know that sometimes you feel  
My work comes before you  
But this is for both of us baby  
I'd never ignore you  
And I know sometimes you say  
You are so lonely  
I promise it won't be long  
Before you can hold me

I just wanna say  
Thank you for coming my way  
You've been such a blessing to me  
I just can't believe  
I've put you through a lot  
You've given me all you got  
There through thick and thin

Baby all I need is your

[Chorus x2]

I'm so thankful for your love  
I will never get enough of you  
Said I will never get enough of you

Baby all I need is your

[Chorus x2]
