

# Lemar, Vertigo

Okay, Let's go...

(COUGHING FIT)  
(FOLLOWED BY GRUNTING)

One, two, three, four...

Lights go down  
It's dark  
The jungle is your head  
Can't rule your heart  
I'm feeling so much stronger  
Than I thought your eyes are wide  
And though your soul  
It can't be bought  
Your mind can wander

Hello, Hello  
I'm at a place called Vertigo  
Where it's it's everything I wish I didn't know  
Except you give me something I can feel  
Feel  
Feel  
Feel

The night is full of holes  
Those bullets rip the sky  
Of ink with gold  
They twinkle as the boys play rock and roll  
They know that they can dance  
At least they know

I can't stand the beat  
I'm askin' for the cheque  
Girl with crimson nails  
Has Jesus 'round the neck  
Swinging to the music  
Swinging to the music  
Wooooah  
Wooooah  
Yeah

Hello, Hello  
I'm at a place called Vertigo  
Where it's it's everything I wish I didn't know  
But you give me something I can feel  
Feel  
I can feel  
Feel

All of this can be yours  
All of this baby  
All of this can be yours yeah  
Just give me what I want  
And no one gets hurt

Oh, I'm at a place called Vertigo  
Lights go down and all I know  
Is that you give me something  
I can feel your love is teaching me ...how  
Your love is teaching me ...how  
How to kneel  
Kneel  
How to kneel

Kneel
