

# Lemon Demon, Birthday (Alligators And Pretzel Makers)

Alligators, nature's surfboards in the swamp,  
With a playful little chomp,  
Let you know that you're a friend.

And they love you, they'll let you surf all afternoon,  
Give you cookies and balloons  
And some pocket cash to spend.

&lt;i&gt;I do not know what to get you for your birthday, I do not know.  
I do not know what to get you for your birthday.&lt;/i&gt;

Pretzel makers, making pretzels at the fair.  
Casting pretzels through the air  
Onto senior citizens.

Seven tickets for a shot at Mr. Gray.  
He's been sitting there all day.  
This is where the fun begins.

&lt;i&gt;I do not know what to get you for your birthday, I do not know.  
I do not know what to get you for your birthday, I do not know.
