

# Lemon Demon, Fine

&lt;i&gt;One, two, three, four.&lt;/i&gt;

Today has a way  
Of scarring your eyes  
With negative light,  
But it's a disguise.  
I put on my shades  
And see through the lies.  
The convenient truth is

Light is on the way,  
We'll be having a fun time.  
It's such a lovely day,  
We should pocket the sunshine,  
And never give it back  
Even if there's a heat wave  
Or terrorist attack.  
It will just be a close shave, I know.

I know  
That every bomb  
Has a silver lining, I know.  
I know  
It won't be long until

&lt;i&gt;Everything works out nice in the end.  
The sun will marry the moon.  
It'll be fine.  
Why don't we sit back mellow again  
And have a nice afternoon?  
It'll be fine.&lt;/i&gt;

I go for a walk,  
The sidewalk is cracked.  
I'm not susperstitious,  
But I made a pact  
With old Mother Earth.  
She'd get off my back  
If I get off hers.

Light is on the way,  
We'll be having a fun time,  
It's such a lovely day,  
We should pocket the sunshine,  
And never give it back  
Even if there's a heat wave.  
We're stalling on the track.  
It will just be a close shave, I know.

I know  
That in a snap,  
All the birds will sing, I know.  
I know  
I'm full of crap, but still.

&lt;i&gt;Everything works out nice in the end.  
The sun will marry the moon.  
It'll be fine.  
Why don't we sit back mellow again  
And have a nice afternoon?  
It'll be fine.&lt;/i&gt;

Fine.  
Fine.

Fine. &lt;i&gt;(Everything is gonna be)&lt;/i&gt;

Fine.

Fine.

Fine. &lt;i&gt;(Everything is gonna be)&lt;/i&gt;

Fine, fine, fine, fine, fine, fine, fine, fine, fine, fine, fine, fine, fine &lt;i&gt;(Everything is gonna be)&lt;/i&gt;

Fine, fine, fine, fine, fine, fine, fine, fine, fine, fine, fine, fine, fine &lt;i&gt;(Everything is gonna be)&lt;/i&gt;

Fine, fine, fine, fine, fine, fine, fine

&lt;i&gt;Everything works out nice in the end.

The sun will marry the moon.

It'll be fine.

Why don't we sit back mellow again

And have a nice afternoon?

It'll be fine.

Everything works out nice in the end.&lt;/i&gt; (I know)

&lt;i&gt;The sun will marry the moon.&lt;/i&gt; (That every bomb)

&lt;i&gt;Works out nice in the end. (Has a silver lining, I know.)

Why don't we sit back mellow again&lt;/i&gt; (I know)

&lt;i&gt;And have a nice afternoon?&lt;/i&gt; (It won't be long until)

&lt;i&gt;Sit back mellow again.

Everything works out nice in the end.

The sun will marry the moon.

It'll be fine.

Why don't we sit back mellow again

And have a nice afternoon?

It'll be fine, fine, fine, fine&lt;/i&gt;
