

# Lemon Demon, Vow Of Silence

I'll never have a chance to say  
Everything I want to say,  
But that's okay, I don't need  
To say a thing anyway.

&lt;i&gt;Just want to take it in,  
See the world, watch it spin,  
Learn to play the violin.  
I'll even try to shed  
Any words from my head.  
Think in Mentalese instead.&lt;/i&gt;

Don't call me on a telephone.  
I don't wanna be alone,  
But I have grown out of it,  
So leave a message at the tone.

&lt;i&gt;Just want to take it in,  
See the world, watch it spin,  
Learn to play the violin.  
I'll even try to shed  
Any words from my head.  
Think in Mentalese instead.

And I'll take a vow of silence.  
(Shut up, shut up, shut up.)  
I'll take a vow of silence.  
(Shut up, shut up, shut up,  
Shut up, shut up, shut up.)  
I'll take a vow of&lt;/i&gt;

Silence means that you can't speak,  
You can't let things out, they stay inside.  
You just sit and nod like a quiet freak,  
And you hold your tongue and you swallow your pride.  
And if you're travelling down the street  
And suddenly witness a crime,  
You've gotta keep it to yourself,  
You've gotta keep it inside  
Your quiet little mind.  
Until the end of time.

&lt;i&gt;And you've got to  
Shut up, shut up, shut up. (Seen and not heard.)  
Shut up, shut up, shut up. (Not a single word)  
Shut up, shut up, shut up. (For the rest of your life.)  
Shut up, shut up, shut up.&lt;/i&gt;

Now I'm no silent snob,  
But Teller and Silent Bob  
Tend to do an awful job.  
But let me tell you, son,  
Harpo Marx is the one.  
I wouldn't be surprised  
If he didn't have a tongue.

&lt;i&gt;Whoa, I'll take a vow of silence.  
(Shut up, shut up, shut up.)  
I'll take a vow of silence.  
(Shut up, shut up, shut up,  
Shut up, shut up, shut up.)

I'll take a vow of  
I'll take a vow of

I'll take a vow of  
Silence  
Silence  
Silence.&lt;/i&gt;
