Lemon Demon, While My Keytar Gently Weeps

I look at you all see the love there that's sleeping While my keytar gently weeps I look at the floor and I see it needs sweeping Still my keytar gently weeps

I don't know why nobody told you How to unfold your love I don't know how someone controlled you They bought and sold you

I look at the world and I notice it's turning While my keytar gently weeps With every mistake we must surely be learning Still my keytar gently weeps

I don't know how you were diverted You were perverted too I don't know how you were inverted No one alerted you

I look at you all see the love there that's sleeping While my keytar gently weeps Look at you all... Still my keytar gently weeps.
