

Lemon Ice, Only You

adadada (come on, yeah) Badadada Badadada (Only you) Badadada

Looking from the window above

It's like a story of love

Can you hear me

Came back only yesterday

Moving farther away

Want you near me

Chorus:

All I needed was the love you gave (love you gave)

All I needed for another day

All I ever knew

Only you

Sometimes when I think of your name

and it's only a game

And I need you

Listening to the words that you say

getting harder to stay

When I see you

Chorus:

All I needed was the love you gave (love you gave)

All I needed for another day

All I ever knew

Only you

(All I ever knew, baby baby, Only you, uh)

Baab Badadab

Babadadadab Babadadadab Babadadadab

Badab Babadab

Babadadadab Babadadadab Babadadadab

Chorus:

All I needed was the love you gave (love you gave)

All I needed for another day

All I ever knew

Only you

(oh yeah)

This is gonna take a long time

And I wonder it's mine

Can't take no more

Wonder if you'll understand

It's just the touch of your hand

Behind a closed door

Chorus:

All I needed was the love you gave (love you gave)

All I needed for another day

All I ever knew

Only you

(All I ever knew, baby baby, Only you, uh)

Baab Badadab

Babadadadab Babadadadab Babadadadab (come on now)

Badab (yeah) Babadab (uh only you)

Babadadadab (here we go) Babadadadab Babadadadab (uuuhhh...uuuhhh...only you... uh...come

(Listen up now...it's only you...lemon ice...uh baby baby...finish)
