

# Lemuria, Dogs

My secrets end up on oil canvases  
In a gallery for everyone to judge  
When I lost everything you offered Jesus  
Didn't seem like a fair trade at all

I'll keep my, i'll keep my promise to you  
I'll keep my, i'll keep my promise to you  
I'll keep my, i'll keep my promise to you  
I'll keep my, i'll keep my promise to you
