

# Lena Philipsson, I Believe In Miracles

I believe I believe in miracles  
I believe dreams come true  
I believe in wonders in my life  
Believe in me and you  
See you in my dreams  
Come falling in and out of time  
Every night I think I see you  
Giving me a sign  
So dont believe them if they say  
Think Im feeling fine  
Im Crazy Im blind  
Out of my mind  
I think about you all the time  
I believe I believe in miracles  
I believe dreams come true  
I believe in wonders in my life  
Believe in me and you  
I believe I believe in miracles  
I believe in loving you  
I believe in wonders in my life  
Believe in me and you  
Shadows in the line of darkness  
Follows me around  
Cry all day I wanna hear you  
I dont hear a sound  
So dont believe them if they say  
Think Im feeling fine  
Im Crazy Im blind  
Out of my mind  
I think about you all the time  
I believe I believe in miracles  
I believe dreams come true  
I believe in wonders in my life  
Believe in me and you  
I believe I believe in miracles  
I believe in loving you  
I believe in wonders in my life  
Believe in me and you  
I believe in miracles in you (x3)  
I believe I believe in miracles  
I believe in dreams come true  
I believe in wonders in my life
