

# Lena, Traffic Lights

How long will it take?  
Have I got time for a shower?  
You could jump on the blue line,  
Take a bus from the station,  
And I'll meet you out there,  
Get a drink, if that's alright,

Don't care what we do,  
'Cause the night is ours,  
As long as we do,  
What we're doing for hours,  
How long will it take?  
Have I got time for a shower?  
You could jump on the blue line,

I could wait all night, I  
I could wait all night, I,

I hope that the Traffic Lights don't change,  
Keeping me away from you,  
I hope that the Traffic Lights don't change,  
Wherever I lose,  
And I hope that you're,  
Gonna get there soon,  
I hope that the Traffic Lights don't change,  
Keeping me away from you,

It's cold outside,  
I've been waiting for an hour,  
But it's feeling like forever,  
I put my best dress on,  
With a low-cut top,  
Got some new shoes on and sweater,

And every passing car leaves me wondering,  
Did you treat me wrong?  
Whats happening?  
I hear the driver say:  
"Go the other way,  
And look for something better",
