

Lene Lovich, Home

Home is where the heart is
Home is so remote
Home is just emotion
Sticking in my throat
Let's go to your place
Let's go to your place

Home is where the heart is
Home is so remote
Home is just emotion
Sticking in my throat
Home is hard to swallow
Home is like a rock
Home is good clean living
Home is... I forgot
Let's go to your place
Let's go to your place

Home is so suspicious
Home is close control
Home is where you miss us
Home is... I don't know
Let's go to your place
Let's go to your place
Let's go to your place
Let's go to your place

Home is aggravation
Home is so much fuss
Home is 'mind your business!'
'Thank you very much!'
Let's go to your place
Let's go to your place
Let's go to your place
Let's go to your place

I don't wanna go back anymore...
