

# Lene Lovich, It's You, Only You (Mein Schmerz)

Let's say goodbye to our friends of the night  
There's nothing for us here  
Always been longing for a moment like this  
Don't want to waste it here

Isn't it strange how sure you can be when you find the one you want  
Isn't it strange how crazy you go when you finally won the one that you want  
A moment like this  
Maybe, baby, we can make it

It's you, it's you, only you  
Well, I know what I want and I'm sure I can get it  
But it's you, it's you, only you  
Well, I know what I want and I'm sure I can get it

I'm loosing my heart for you  
And I'm prepared to lose my life  
Mein schmerz  
Maybe, we can make it  
Maybe, maybe, we can make it

It's you, it's you, only you  
Well, I know what I want and I'm sure I can get it  
But it's you, it's you, only you  
Well, I know what I want and I'm sure I can get it

It's you, it's you, only you  
It's you, it's you, only you  
But it's you, it's you, only you  
Well, I know what I want and I'm sure I can get it  
It's you, it's you, mein schmerz
