

Leniuchowo, Cookinng in the book

I pile on the candy
It's such a pretty sight
It makes the food taste dandy
But my tummy hurts all night.
I li put in some ingredients
But keep the rest for me
I'm not just disobedient
I'm careful can't you see?
It's a piece of cake to bake
A pretty cake
If the way is hazy
You gotta do the cooking in the book
You know you can't by lazy
Never use a messy recipe
The cake wili end up crazy
If you did the cooking in the book
Then you'll have a cake
We gotta have it made
You know that I love cake
Finally it's time to make a cake
Making food is just like science
With tools that blend and baste
And every fun appliance
Gives the food a differend taste!
It's a piece of cake to a bake
A pretty cake
If the way is hazy
You gotta do the cooking in the book
You know you can't by lazy
Never use a messy recipe
The cake wili end up crazy
If you did the cooking in the book
Then you'll have a cake
We gotta have it made
You know that I love cake
Finally it's time to make a cake
We gotta have it made
You know that I love cake
Finally it's time to make a
You gotta do the cooking in the book
Cake.
