Imagine there's no heaven, it's easy if you try
No hell below us, above only sky
Imagine all the people living for today ah

Imagine there's no countries, it isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people living life in peace

You may say I'm a dreamer, but I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possession, I wonder if you can
No need for greed or hunger, a brotherhood of man
Imagine all the people all the people sharing all the world

You may say I'm a dreamer, but I'm not the only one
I hope someday you'll join us
And the world will live as one
