

# Lennon, Property Of Goatfucker

(Verse 1)

Mommy's in the closet finding God  
I'm on my knees finding you  
Bring myself just low enough  
To do what you want me to do

(Chorus)

I don't care  
What you have to say  
I'd rather fail  
And do it my way

(Verse 2)

False smiles so no one can see  
Everything they hate is every part of me  
I just want to live my life  
They just want to hear they're right

(Chorus)

Property of Goatfucker (Repeat x5)

(Chorus)
