

Lenny Kravitz, Don't Go And Put A Bullet In Your

Yeah,
(Thank you Jesus for the song)
Hey, Hey hey hey...
Don't do it, don't do it

Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head

I'm gonna get it
But workin' nine to five just doesn't let it
I feel I'm wastin' time and I regret it
Can't even feed my kids and my wife
Oh I'm longing to find it
A taste of the sweeter life oh my
Only takes a little time
(No don't do it)

Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head

Oh my oh my
Ain't got no credit
Can't even pay my rent
Where will I get it ?
There's a liquor store right down the block I'll get it
Can't even feed the pain in my heart
Oh I'm longing to find
(I'm longing to find)
A piece of the bigger pie, oh my
(A different kind)
Only it takes a little time
(A little time)
(No don't do it)

Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head

Oh my oh my oh my ...

Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head
Put a bullet in your head, oh my
Oh my, put a bullet in your head, oh my
Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head
Oh my, oh my oh my.
