

Lenny Kravitz, Low

if you wanna talk to me
know that I am plain to see
I don't want this thing to be
staining my reality

don't lift me up
to turn me down
I just want a lover
baby stay with me all around
talk with me, let me go
got to keep it low
talk with me, let me go
got to keep it low

if you bought the fantasy
it's murder in the first degree
is my sexuality
creating such a tragedy

don't lift me up
to turn me down
I just want a lover
baby stay with me all around
talk with me, let me go
got to keep it low
talk with me, let me go
got to keep it low
don't lift me up
to turn me down
I just want a lover
baby stay with me all around
talk with me, let me go
got to keep it low
talk with me, let me go
got to keep it low

I'm so tired of playing this crazy game
someone's always left out in the rain
is there a chance that we can make it
just keep it real cause we can't fake it

cause you and I can't take this anymore
we've got to keep our feet right on the floor
there's no more secrets, no more laying
baby I'm really, really trying
to get to love

don't lift me up
to turn me down
I just want a lover
baby stay with me all around
talk with me, let me go
got to keep it low
talk with me, let me go
got to keep it low
