Lenny Kravitz, My Precious Love

You came to me like a dream How would I know it was a scheme To get me to you

Your eyes burned like fire Through my heart Although we were lifetimes apart

Making mistakes was my game Oh your life, your life, I tried to rearrange But now I know a better way

My my my my, my precious love My my my my, my precious love

Now you're a woman You've got a child And those days, those days Of being wild They're gone with the past But now baby You still ain't got no home All those endless nights you've had to roam But I know a better way

My my my my, my precious love My my my my, my precious love

Go henry

Yeah yeah yeah My my my my my, my precious love My my my my, my precious love

My my my my my my precious love My my my my, my precious love You gonna make me yeah yeah Yeah, yeah, yeah ...
