

# Lenny Kravitz, Silver And Gold

Vanessa

How many children must die  
How many rivers run dry  
How many angels must cry  
For silver and gold.

Lenny

Why don't we learn  
From our past  
How many more years  
Will we last  
'Cause life is just moving so fast  
For silver and gold

Vanessa

For Silver and gold  
How much more time  
Can we waste  
How much more land  
Be defaced

Lenny

Oh Yeah  
'Cause soon we will all be erased  
For silver and gold

Vanessa

'Cause our earth should last forever  
And our lives forever on, on ...

Lenny

For God gave us all to partake

Vanessa

Why can we just learn to relate  
We're pissing on our children's face  
For silver and gold.
