Lenny Kravitz, Silver And Gold

Vanessa

How many children must die

How many rivers run dry

How many angels must cry

For silver and gold.

Lenny

Why don't we learn

From our past

How many more years

Will we last

'Cause life is just moving so fast

For silver and gold

Vanessa

For Silver and gold

How much more time

Can we waste

How much more land

Be defaced

Lenny

Oh Yeah

'Cause soon we will all be erased

For silver and gold

Vanessa

'Cause our earth should last forever

And our lives forever on, on ...

Lenny

For God gave us all to partake

Vanessa

Why can we just learn to relate

We're pissing on our children's face

For silver and gold.
