

# Leo Sayer, An Englishman In The Usa

rambling 'round your city streetsI feel no earth beneath my feetand I feel my lifeis crumbling into, in  
and it's a long way back homesuch a long way back homeand I'm wonderingwhere am I gonna go  
and it's a long way back homesuch a long way back homeand I'm wonderingwill I ever get away  
so here I am and there are youwhere wishful thoughtsdon't serve no useand all the worrying in the  
such a long way back homesuch a long way back homeand I'm wonderingwill I ever get to go  
and I'm waiting for you to take me home
