

Leo Sayer, Endless Flight

Writers: Andrew Gold

keep me steady
don't rock me all around
lord, I don't wanna fall down
understand me
I wish this jet was off the ground

look around you
and tell me what you see
are you afraid or is it me?
I hope we make it
I hope we don't fall in the sea

and it's gonna be an endless flight
until we reach the ground tonight
yes it's gonna be an endless flight I know
like a flyin'bird in the night
the wind is strong but I hope I'm right
an' this will be the end of this endless flight

make me happy
just let me see the light
I hope the runway time is near
the look the captain gave
wasn't comfort and saw fear
oh, what a fear

and it's gonna be an endless flight
until we reach the ground tonight
yes it's gonna be an endless flight I know
like a flyin' bird in the night
the wind is strong but I hope I'm right
an' this will be the end of this endless flight

and it's gonna be an endless flight
until we reach the ground tonight
yes it's gonna be an endless flight I know
like a flyin' bird in the night
the wind is strong but I hope I'm right
an' this will be the end of this endless flight

and it's gonna be an endless flight
until we reach the ground tonight
yes it's gonna be an endless flight I know
like a flyin' bird in the night
the wind is strong but I hope I'm right
an' this will be the end of this endless flight
