

# Leo Sayer, Have You Ever Been In Love

In the morning light  
Half awake and half asleep  
Have you ever lain there thinking  
Was it all in a dream?  
But you reach out and she's there  
Every moment everywhere  
Have you ever been in love?

Have you ever felt how far a heart can fall?  
Have you ever stayed up waiting for a telephone call?  
Just to hear her say hello  
Cos you miss each other so  
Have you ever been in love?

Have there been times to laugh  
And times you really wanna cry  
Finding reasons to believe her  
Cos you'd die a little if she lied  
When in times of doubt  
Have you ever tried to work it out?  
But still she leaves you wondering what it's all about

When she's far away, you ever felt the need to stray?  
And tried and then discovered it just doesn't pay  
And with her you can be true  
For with her you can be you  
Have you ever been in love?

Have there been times to laugh  
And times you really wanna cry  
Finding reasons to believe her  
Cos you'd die a little if she lied  
When in times of doubt  
Have you ever tried to work it out?  
But still she leaves you wondering what it's all about

And When in times of doubt  
Have you ever tried to work it out?  
And still she leaves you wondering what it's all about

And when the night comes down  
And you call this house a home  
Do you dream you're still together  
And wake up alone?  
Have you ever been in love the way that I'm in love?  
Have you ever been in love?
