

# Leo Sayer, Heaven Knows

nowadays they want a soldier fighternot a preacher writer or a mystery mansomebody told me that  
but I don't wanna cry anymoretry anymore -- die anymore  
heaven knows I'm impatientI can't control these hands of fateheaven knows I'm still waitingare they  
oh is that soonly heaven knowswell I wanna knowtell me is that soonly heaven knowsheaven only I  
here come the romeos the brave I told you so'sthe travelling g.i. joes with come on lineshere come  
well I don't wanna wait anymorebe late anymore -- hate anymore  
heaven knows I'm impatientI can't control these hands of fateheaven knows I'm still waitingare they  
oh is that soonly heaven knowswell I wanna knowtell me is that soonly heaven knowsheaven only I  
what a strange designit's a planet out of timesomeone tell me whyis the world like that  
oh heaven knowsI said oh heaven knows  
heaven knows I'm impatientI can't control these hands of fateheaven knows I'm still waitingare they  
you resign yourself to a simple fateto live your life by the sell by datehaul yourself up the same old
