

Leo Sayer, I Think We Fell In Love Too Fast

Writers: Leo Sayer, Johnny Vastano & Vini Poncia

we were just two kids in high school
who'd never been in love before
just happened to be together
we never wanted more
we had one long crazy summer
life was like a honeymoon
but we couldn't hold back our feelin's
guess you came along too soon

Ooh, darlin'
I think we fell in love too fast
ooh, darlin'
I think we fell in love too fast

I was workin' my way through college
when you wrote and told me the news
said you were gonna have a baby
yeah, I knew my college days were through
had to work late to make the money
you saw more of the kid than me
I guess I knew I failed you when
you said that you'd rather be free
you wanted to be free

Ooh, darlin'
I think we fell in love too fast
ooh, darlin'
I think we fell in love too fast

Well I heard you got away to florida
got a husband, took the kid
I bet they think the whole world of you
just like I always did
you were the only one I ever wanted
but I know you can't be replaced
if only we'd met a little later, babe
we wouldn't of made the same mistakes

oh, no, no, no, ooh
darlin', yeah
I think we fell in love too fast
I know it now
ooh, darlin', darlin'
I know we fell in love too fast, too fast
ooh, darlin', yeah
I think we fell in love too fast
I know it now
ooh, darlin', darlin'
I know we fell in love too fast, too fast
