

Leo Sayer, I Will Not Stop Fighting

oh I can see the sadness in your eyes you shouldn't ever have to cry I will put you back on your feet
oh they know how to shatter your dreams but this time they've really gone to extremes they just don't
a change of heart leads to a change of mind we shouldn't be here wishing for a change of time I remember
oh and I want to stay this close to you and I don't want to stop; no until you feel happy too no one else
