

Leo Sayer, It's Over

Last night I realized there's no point in compromise I guess it's time we said it's over 'cause I been w
but we've run out of track and we won't get it back 'cause it's over, it's all over, it's all over, it's all ov
I remember when you said to me take care when you share your love before you give it all so easily
over, it's all over, it's all over, it's all over we've run out of track and we won't get back 'cause it's ove
