

Leo Sayer, La Booga Rooga

don't look back, that'll get you nowhere
a wall to wall suit and space circus hair
one step forward, one step back
to tell the truth, you raise up your hand
don't write me no invitations in the sand
and when you talk, some you win and some you lose
watch out for la booga rooga
some you win and some you lose
watch out for la booga rooga
some you win and some you lose
I don't know why and I can't explain
why I'm lost on a street with no name
but that's alright, that's okay
watch out for la booga rooga
some you win and some you lose
watch out for la booga rooga
some you win and some you lose
I'm on fire, inside my head
someone put out the light
and they sent the world to bed
it's not too late, but
watch out for la booga rooga
some you win and some you lose
watch out for la booga rooga
some you win and some you lose
