

Leo Sayer, Oh Girl

Writers: Eugene Record

oh girl
I'd be in trouble if you left me now
'cos I don't know where
to look for love
I just don't know how
oh girl
how I depend on you
to give me love when I need it
right on time
you would always be there

all my friends call me a fool
they say
let the woman take care of you
so I
try to be hip and think like the crowd
but not even the crowd
will help me now

oh girl
tell me what am I gonna do?
'cos I know I got
such a guilty face
girl, I feel so out of place

all my friends call me a fool
they say
the woman should be taking
care of you
so I
try to be hip and think like the crowd
but not even the crowd
will help me now

oh girl
I guess I'll never know
I could save myself
a lot of useless tears
girl, I've gotta get away from here
oh girl
pain will double if you leave me now
'cos I don't know where
to look for love
and I just don't know how
