

# Leo Sayer, We Can Start All Over Again

oo babe, what can I say to you change what you're feelin' inside? oo babe, I've got to get close to you  
we can start it all (start it all) all over again and we can have it all (have it all) just a one more time  
oo babe, don't look that way at me you know you're breakin' my heart oo babe, I'm as sorry as I can be  
we can start it all (start it all) all over again and we can have it all (have it all) just a one more time  
just think about it babe, oo, oo, oo, oo just think about it babe oo baby, I acted like a fool you just trust  
I see your smile's returnin' I know you understand come on baby all you got to do is take my hand I love  
one more time, we can start it all (start it all) all over again we can have it all (have it all) yeah ev'ryt
