

# Leon Jackson, All In Good Time

Wont be in no letter, no text or call  
You can read though the papers  
wont say nothing at all.  
Cause my love is secret,  
and its getting harder to keep it.  
But I'll wait my time,  
Before I put my heart on the line.  
So no TV broadcast, no over head sign  
Thats not the way you'll find out 'bout this love of mine  
You wont know how you know it, but your gonna know it,  
all in good time.

[Chorus:]

So many ways, to communicate  
Tel me why, why do I hesitate.  
The words they get stuck in my mouth.  
Its up to you, to read between the lines  
Move closer baby just read the signs  
But please make it soon.  
So maybe this Winter or when Spring has arrived,  
There'll come a day when this love I can no longer hide,  
But your gonna know it,  
I'll make your sure that you know it.  
All in good time.

[Chorus:]

So many ways, to communicate  
Tel me why, why do I hesitate.  
The words they get stuck in my mouth  
So Its up to you, to read between the lines  
Move closer baby just see the signs  
My darling make it soon,  
Please don't you look for no message on your internet line  
All you need to know is right here in this heart of mine.  
You wont know how you know it  
but your gonna know it,  
All in good time,  
All in good time,  
You wont know how you know it  
but your gonna know it,  
All in good time.
