

Leon Jackson, Misty Blue

Oh it's been such a long long time
looks like I get you off my mind
But I can't just the thought of you
Turns my world a misty blue
Oh honey
Just the mention of your name
Turns the flicker to a flame
Listen to me good baby
I think of the things we used to do
And my whole world turns misty blue
Oh baby
I should forget you
Heaven knows I've tried
Baby when I said I'm glad we're through
Deep in my heart I know I've lied
I've lied
Oh honey it's been such a long long time
Looks like I get you off my mind
But I can't just the thought of you
My love, my whole world is turned a misty blue
Oh Oh I can't Oh I can't
Oh I can't forget you
My whole world is turned a misty blue
Oh my love my whole world turns misty blue
