

# Leona Lewis, Better in Time

It's been the longest winter without you  
I didn't know where to turn to  
See somehow I can't forget you  
After all that we've been through

Going, coming, thought I heard a knock  
Who's there, no one  
Thinking that I deserve it  
Now I realize that I really didn't know  
If you didn't notice you mean everything  
Quickly I'm learning to love again  
All I know is I'm gon' be okay

Chorus

Thought I couldn't live without you  
It's gonna hurt when it heals too  
It'll all get better in time  
And even though I really love you  
I'm gonna smile cause I deserve to  
It'll all get better in time

I couldn't turn on the TV  
Without something there to remind me  
Was it all that easy  
To just put aside your feelings

If I'm dreaming don't wanna laugh  
Hurt my feelings but that's the path  
I believe in  
And I know that time will heal it  
If you didn't notice boy you meant everything  
Quickly I'm learning to love again  
All I know is I'm gon' be OK

Chorus

Since there's no more you and me  
It's time I let you go  
So I can be free  
And live my life how it should be  
No matter how hard it is I'll be fine without you  
Yes I will

Chorus x 2
