

# Leona Lewis, Happy

Someone once told me  
That you have to choose  
What you win or lose  
You can't have everything  
Don't you take chances  
You might feel the pain  
Don't you love in vain  
Cause love won't set you free  
I could stand by the side  
And watch this life pass me by  
So unhappy but safe as could be

So what if it hurts me  
So what if I break down  
So what if this world just throws me off the edge  
My feet run out of ground  
I gotta find my place  
I wanna hear my sound  
Don't care about other pain in front of me  
Cause I'm just tryna be happy  
Just wanna be happy

Holding on tightly  
Just can't let it go  
Just tryna play my roll  
Slowly disappear  
Well all these days  
They feel like they're the same  
Just different faces, different names  
Get me outta here  
Well I can stand by the side  
And watch this life pass me by  
Pass my by

So what if it hurts me  
So what if I break down  
So what if this world just throws me off the edge  
My feet run out of ground  
I gotta find my place  
I wanna hear my sound  
Don't care about other pain in front of me  
Cause I'm just tryna be happy  
Just wanna be happy

So any turns that I can't see  
I'll count a stranger on this road  
But don't say victim  
Don't say anything

So what if it hurts me  
So what if I break down  
So what if this world just throws me off the edge  
My feet run out of ground  
I gotta find my place  
I wanna hear my sound  
Don't care about all the pain in front of me  
Cause I'm just tryna be happy  
Just wanna be happy
