

Leona Lewis, Here I Am

This is a crazy world
These can be lonely days
It's hard to know who's on your side most of the time
Who can you really trust
Who do you really know
Is there anybody out there who can make you feel less alone
Sometimes you just can't make it on your own

Chorus

If you need a place where you can run
If you need a shoulder to cry on
I'll always be your friend
When you need some shelter from the rain
When you need a healer for your pain
I will be there time and time again
When you need someone to love you here I am

If you have broken dreams
Just lay them all on me
I'll be the one who understands so take my hand
If there is emptiness
You know I'll do my best
To fill you up with all the love that I can show someone
I promise you you'll never walk alone

Chorus

Everybody needs somebody who
They can pour their heart and soul into

Chorus

Here I am
