

Leona Lewis, I'm You

How many times
Are you gonna take it
Look in my eyes
Help me make this make sense

Night after night
You sat up n cried
Wondering when you're gonna see things clearer
You don't even realise
That at this very moment
You're talking to yourself in the mirror

It's true
So you think I'm strong but you're feelin that you're weak
Baby I'm you
But we're one in the same so you're just as strong as me
Baby I'm you
And we deserve better its time for us to leave
You know what to do
Cause I'm not a fool
So neither are you
Baby I'm you

Oh you're not crazy
If only you'd realise
That you and I
Have all the help we need

So why are we sitting here on the floor
(listen to me)
We ain't cryin no more
I am your soul
I am your heart
My strength is yours

Baby its true
So you think I'm strong but you're feelin that you're weak
Baby I'm you
But we're one in the same so you're just as strong as me
Baby I'm you
And we deserve better its time for us to leave
You know what to do
Cause I'm not a fool
So neither are you
Baby I'm you

So pick yourself up right now
We've been here too long
We've overstayed it enough
That might have been
It's been a long time gone

So wipe away the tears
Ain't nothing for us here
The time has come to move on

Baby we deserve better
And we're far too strong
To let this go on
Baby I'm you

So you think I'm strong but you're feelin that you're weak
Baby I'm you

But we're one in the same so you're just as strong as me
Baby I'm you
And we deserve better its time for us to leave
You know what to do
Cause I'm not a fool
So neither are you

Baby I'm you x3
