

# Leona Lewis, I'm You

How many times  
Are you gonna take it  
Look in my eyes  
Help me make this make sense

Night after night  
You sat up n cried  
Wondering when you're gonna see things clearer  
You don't even realise  
That at this very moment  
You're talking to yourself in the mirror

It's true  
So you think I'm strong but you're feelin that you're weak  
Baby I'm you  
But we're one in the same so you're just as strong as me  
Baby I'm you  
And we deserve better its time for us to leave  
You know what to do  
Cause I'm not a fool  
So neither are you  
Baby I'm you

Oh you're not crazy  
If only you'd realise  
That you and I  
Have all the help we need

So why are we sitting here on the floor  
(listen to me)  
We ain't cryin no more  
I am your soul  
I am your heart  
My strength is yours

Baby its true  
So you think I'm strong but you're feelin that you're weak  
Baby I'm you  
But we're one in the same so you're just as strong as me  
Baby I'm you  
And we deserve better its time for us to leave  
You know what to do  
Cause I'm not a fool  
So neither are you  
Baby I'm you

So pick yourself up right now  
We've been here too long  
We've overstayed it enough  
That might have been  
It's been a long time gone

So wipe away the tears  
Ain't nothing for us here  
The time has come to move on

Baby we deserve better  
And we're far too strong  
To let this go on  
Baby I'm you

So you think I'm strong but you're feelin that you're weak  
Baby I'm you

But we're one in the same so you're just as strong as me  
Baby I'm you  
And we deserve better its time for us to leave  
You know what to do  
Cause I'm not a fool  
So neither are you

Baby I'm you x3
