

# Leona Lewis, I Will Be

There's nothing I could say to you  
Nothing I could ever do to make you see  
What you mean to me  
All the pain the tears I cried  
Still you never said goodbye  
And now I know  
How far you'd go

I know I let you down  
But it's not like that now  
This time I'll never  
Let you go

Chorus  
I will be  
All that you want  
And get myself together  
Cause you keep me from falling apart  
All my life  
I'll be with you forever  
To get you through the day  
And make everything OK

I thought that I had everything  
I didn't know what life could bring  
But now I see honestly  
You're the one thing I got right  
The only one I let inside  
Now I can't breathe  
cause you're here with me

And if I let you down  
I'd turn it all around  
Cause I would never  
Let you go

Chorus

Cause without you  
I can't breathe  
I'm not gonna ever ever let you leave  
You're all I've got  
You're all I want

Cause without you  
I don't know what I'd do  
I could never ever live a day without you  
Here with me do you see  
You're all I need

Chorus x 2

I will be
