

Leona Lewis, Nowhere Left To Go

I took a hiatus came back and became the greatest. But I love you more than the deal that I signed
3 weeks 4 days and the hours keep passing, by like a train with my brain steady asking. Did I do th

I'm caught up in the maze. I've been shopping like a mad woman spending all my money, but I can
(chorus)

(Play your position girl)

You already know

(You be tripping girl)

So why don't you let me go?

(Cause I'm real fair)

But you're playing with my love

(Then why you still here?) There's nowhere left to go

(Play your position girl)

You already know

(You be tripping girl)

So why don't you let me go?

(Cause I'm real fair)

But you're playing with my love,

(Then why you still here?) There's nowhere left to go.

Leona:

We did we fell so far

like two kids

do we even have a connection

besides our affection

for an expression of love in side the bedroom.

(hook)

(Chorus)

Leona:

And i cant help myself i keep falling for you all over again

its like every time I'm out the door

I'm right back in your arms all over again

I'm saying yes, I'm saying no, I'm telling you you gotta go

and then i wind up still here, staying all over

loving', missing', wishing' you were here all over again

pick up the phone and call your number

are you home? can i come over?

oh why do we be like this

I'll call it off with nothing but static

and weigh it off like nothing happened

oh why do we be like this

repeating chorus 2X
