

# Leona Naess, Ballerina

I'll never feel the weight of your hands  
Side mine like diamonds  
lace so fine ballerina  
Cupcake and my earthquake  
Wakes me from my sleep and  
Never comes hardly breathing  
Waiting for me

I didn't really want you  
But I want you now  
Was so foolish of me  
To you feel you tumbling down  
Into that empty room  
The lights went out  
Want to rescue want to scream out loud

I didn't think I needed you  
But I need you now  
Was so empty in me  
Feel you crashing down  
Into the empty world  
The music stops  
Want to rescue want to scream out loud  
You will always be mine

The room spins  
Pull you from me  
My body burns  
Tell me of the rainbows  
The colors that the rain throws  
Ballerina dance softly  
She knows when to come only  
When she's called and slowly coming to

I didn't really want you  
But I need you  
Was so foolish of me  
To feel you tumbling down  
Into that empty room  
The lights went out  
Want to rescue want to scream out loud

I didn't think I wanted you  
But I want you now  
Was so empty in me  
Feel you crashing down  
Into the empty world  
The music stops  
Want to rescue want to scream out loud  
You will always be

So so sorry  
Just come back to me now  
So so sorry  
Just come back to me now

I didn't think I wanted you  
But I want you now  
Was so foolish of me  
To feel you tumbling down  
Into that empty room  
The lights went out  
Wanted to rescue want to scream out loud  
I didn't think I needed you

But I need you now  
Was so empty in me  
Feel you tumbling down  
Into that empty room  
The lights went out want to scream out loud  
That you will always be mine
