

Leona Naess, Leave Your Boyfriend Behind

I'm not ready and I'm not even close
I'm not like the rest
No I ain't like most
So don't hold your breath
And don't count to ten
I'm still messing up
Want to do it again

So lets go out late
Drink a lot
Stay up past 8 and then dance
Dance all night
And leave our boyfriends behind

One hand on the trigger
And one eye out for ghosts
One foot on the floor
And one glass in the toast
We're not ready and we're
Not even close
We're not like the rest
No we ain't like most

So lets go out late
Drink a lot
Stay up past 8 and then dance
Dance all night
And leave our boyfriends behind
Leave your girlfriend behind

I've got a boyfriend
I've got a boyfriend
I've got a boyfriend

Lets go out late
Drink a lot
Stay up past 8 and then dance
Dance all night
And leave our boyfriends behind

Oh lets call our friends
And pretend we've got ages till
The sun comes along
Till the end of this song

Oh lets go out late
Drink a lot
Stay up past 8 and then dance
Dance all night
And leave your girlfriend behind
I'll leave my boyfriend behind

We'll go out late
Drink a lot
Stay up past 8 and then dance
Dance all night
Leave our boyfriends behind
Leave my girlfriend behind
