

# Leonardo'S Bride, I Love You Honey But The Sea

The caravans are rolling out  
On the closing day  
I see you standing in the crowd  
I want so much to say  
If I don't look as lost as you  
It's just because I've learnt to hide it  
Walking the tightrope everynight  
That was all we ever needed to know  
I love you honey but the season is over  
Where are you going ?  
My conscious is up and down  
I'm a human cannonball  
I don't feel so holy now  
Have I ever been at all ?
