

Leonardo'S Bride, Swimmingly

If a dark cloud should follow me
If it only rained where I stood
Wondering why
It wouldn't be the first time

If I fell from the edge of the universe
If I tumbled in nothingness
Knowing my screams were a mime
It wouldn't be the first time

Oh, isn't it lovely now everything's going
So swimmingly
Oh' isn't it lovely now everything's moving
So swimmingly
So swimmingly

If I walked the streets with my shaddow
If I turned around to see it
With some other guy
It wouldn't be the first time

If I stormed the tower of song tonight
If only when morning came did it
Surrender the rhyme
It wouldn't be the first time

Oh, isn't it lovely now everything's going
So swimmingly
Oh, isn't it lovely now everything's moving
So swimmingly
So swimmingly
