Leonardo'S Bride, Swimmingly

If a dark cloud should follow me If it only rained where I stood Wondering why It wouldn't be the first time

If I fell from the edge of the universe If I tumbled in nothingness Knowing my screams were a mime It wouldn't be the first time

Oh, isn't it lovely now everything's going So swimmingly Oh' isn't it lovely now everything's moving So swimmingly So swimmingly

If I walked the streets with my shaddow If I turned around to see it With some other guy It wouldn't be the first time

If I stormed the tower of song tonight If only when morning came did it Surrender the rhyme It wouldn't be the first time

Oh, isn't it lovely now everything's going So swimmingly Oh, isn't it lovely now everything's moving So swimmingly So swimmingly
