

Lesley Gore, What Am I Gonna Do With You

Someone who says she's my friend
Told me you've been untrue again
Oh you still haven't learned it's wrong to
Hurt the girl that you belong to
What am I gonna do with you, hey baby?

You said you'd stop running around
& once again you've let me down
Oh I guess I'm just a girl to stay with
To see what you can get away with
What am I gonna do with you, hey baby?

Do you know how bad I feel when you treat me the way you do?
I don't think you'd like it too much if I did the same thing to you
Do you know how bad I feel?

If I'd done the smart thing, I know
I would have left you long ago
But even knowing what I know about you
I still don't wanna live without you
What am I gonna do with you, hey baby?
Oh what am I gonna do with you, hey baby?
(repeat & fade):
Hey baby
