

# Lesley Roy, Dead But Breathing

Well it finally had to end this bitter way  
We had no more left to give  
No matter what we said  
'Cause I worried every night and slept all day  
I was lying to myself  
Pretending to be someone else  
You left me so  
But it's over  
Just let me go  
We're going nowhere  
I feel like I'm dead, but breathing  
I know because my heart was beating  
Just let me go  
'Cause it's over  
So you try to work it out and get some help  
You'd been fooling everyone  
But I know what's going on  
I can't hold your hand through this again  
We keep lying to ourselves  
Pretending to be something else  
You left me so  
But it's over  
Just let me go  
We're going nowhere  
I feel like I'm dead, but breathing  
I know because my heart is beating  
Just let me go  
I'm sorry that I couldn't stay  
To fill your empty space  
It's alright  
You'll be fine  
I know that you'll be better off  
In a different place  
It's alright  
You'll be fine  
You left me so  
But it's over  
Just let me go  
I feel like I'm dead, but breathing  
I know because my heart is beating  
You left me so  
But it's over  
Just let me go  
We're going under  
I feel like I'm dead, but breathing  
I know because my heart is beating  
Just let me go  
'Cause it's over
