

# Lesley Roy, Psycho Bitch

Is it fair to say you played me for a fool?

Is it fair to say you used me?

Thats the truth

You've been lyin all this time and now im mad

You drove me to the vodka shots im knockin back

Yeah

I bet you never thought that I would be a basket case im

Goin crazy cause youre hooked on someone

And that someone isnt me

I bet you never thought that I would be a psycho bitch

Like the kind of girl thats gonna smash your headlights

No that someone isnt me

Is it fair to say your window hit a rock?

Do you think that I should sell you to the cops?

When they ask me where I was the seventeenth

Should I be like you and say that wasn't me?

Yeah

I bet you never thought that I would be a basket case im

Goin crazy cause youre hooked on someone

And that someone isnt me

I bet you never thought that I would be a psycho bitch

Like the kind of girl thats gonna smash your headlights

No that someone isnt me

Does she go where I dont?

Is she beautiful or

Will she go where I wont go?

Nah nah nah nah nah nah nah nah nah nah

Nah nah nah nah nah nah nah nah nah nah

Nah nah nah nah nah nah nah nah nah nah

Goin crazy cause youre hooked on someone

And that someone isnt me

But you never thought that I would be a psycho bitch

Like the kind of girl thats gonna smash your headlights

No that someone isnt me

I bet you never thought that I would be a basket case im

Goin crazy cause youre hooked on someone

And that someone isnt me

But you never thought that I would be a psycho bitch

No that someone isnt me
