

Lesley Roy, Slow Goodbye

I can read the lines
On your face and they're telling me
Everything I already know
Yeah
I hold you in my arms
But your light is away from me
Slowly sinking under, alone
Yeah
So I act cool
On the outside
But it's eating me alive
'Cause when it comes to you
There's nothing I can do
I can't make you love me when you don't
I see it in your eyes
All the compromise
No, I can't take another slow goodbye
Sitting in the park, after dark, smoking cigarettes
Biting all the black off of my nails
'Cause all I ever was what you took away from me
Try to make it right, but it's too late
I'm a hopeless case on the inside
And it's eating me alive
'Cause when it comes to you
There's nothing I can do
I can't make you love me when you don't
I see it in your eyes
All the compromise
No, I can't take another slow goodbye
No
I die
A million times every time when you look me in the eye
I die
'Cause I've heard it all before
The same pain
You throw around and around
But I still end up with nothing
But heartache
'Cause when it comes to you
There's nothing I can do
I can't make you love me when you don't
I see it in your eyes
All the compromise
No, I can't take another slow goodbye
No
There's nothing I can do
I can't make you love me when you don't
I see it in your eyes
All the compromise
No, I can't take another slow goodbye
