

# Lesley Roy, Unbeautiful

Don't hang up,  
Can we talk?  
So confused  
It's like I'm lost.  
What went wrong?  
What made you go?  
Don't pretend you don't know  
This is me  
Im unchangeable

When did we  
Fall apart?  
Or did you lie  
From the start?  
When you said  
It's only you  
I was blind  
Such a fool  
Thinking we  
Were unbreakable

It was you and me against the world  
And you promised me forevermore  
Was it something that I said?  
Was it something that I did?  
'Cause I gotta know  
What made me unbeautiful

I've been told  
What's done is done  
To let it go  
And carry on  
And deep inside  
I know that's true  
I'm stuck in time  
I'm stuck on you  
We were still untouchable

It was you and me against the world  
And you promised me forever more.  
Was it something that I said?  
Was it something that I did?  
'Cause I gotta know  
What made me unbeautiful

Wake up, wake up, wake up  
'Cause I'm only dreaming  
Get out, get out, get out  
Get out of my head now

Because we're much better  
Un-together  
Can't let go

It was you and me against the world  
And you promised me forever more  
Was it something that I said?  
Was it something that I did?  
'Cause I gotta know  
What made me unbeautiful

It was you and me against the world  
And you promised me forever more  
Was it something that I said?

Was it something that I did?  
'Cause I gotta know  
What made me unbeautiful

Made me unbeautiful
